## **Award-winning wedding and event venue adds overnight accommodations to its offerings**

**BECKWITH, November 21 2016.** Stonefields is pleased to announce the addition of an overnight accommodations option to its offerings - the Stonefields Inn. The jewel of the historic estate, the stone farmhouse built in 1857, is now available for rent by wedding couples and their guests for the night of the wedding.

This new option adds even more value to the already award-winning services provided by the venue. Brides and grooms can begin and end their wedding day in the historic home. The 4000 square foot space includes 4 bedrooms and 3 full bathrooms, along with a fully renovated kitchen and preparations space for the bridal party.

This space is also available to guests of weddings at Stonefields, should the wedding couple and their party not require accommodations themselves. The 2017 rate for the rental of the Stonefields Inn for the night is \$1,000 + HST. Guests may check in at 1pm, and check out at 10am the following morning.

"Offering overnight accommodations has been a long-term goal of ours," says Stephanie Brown, co-owner. "We are so pleased to now be able to offer a space that will add even more unforgettable moments to each of our couples' special days."

This new offering is the latest in a string of recent enhancements to the property, including completion of the Stonefields Loft, the new state of the art reception space complete with a commercial kitchen. Stonefields is thrilled about this latest venture and looks forward to continuing to deliver world-class wedding packages to clients from around the globe.
